PERFECT FOR FEEDING AMONG OTHERS:

APPLICATION:

Essence is a high-quality complete granulated diet specially formulated for all African and South American cichlids. Thanks to the sinking behaviour of Essence, the cichlids in all water layers can easily take up their food. This granulate is available in several sizes, so both small and larger cichlids can be fed. Essence is rich in proteins, enabling good growth, and also contains a balanced amino acid and fatty acid profile.

* Feed 2-3 times per day in small portions. Feed as much the fish can eat in 20 – 30 seconds.
